Pratibha Ray makes a determined effort for a portrayal of the epic character and brings to the surface the broader and deeper aspects of Draupadi's mind that lay submerged in the majestic sweep of the grand Mahabharata. The novel won her the Bharatiya Jnanpith's prestigious ninth Moortidevi Award in 1993. Death is a taboo in most societies in the world. But what if we have got this completely wrong? What if death was not the catastrophe it is made out to be but an essential aspect of life, rife with spiritual possibilities for transcendence? For the first time, someone is saying just that. In this unique treatise-like exposition, Sadhguru dwells extensively upon his inner experience as he expounds on the more profound aspects of death that are rarely spoken about. From a practical standpoint, he elaborates on what preparations one can make for one's death, how best we can assist someone who is dying and how we can continue to support their journey even after death. Whether a believer or not, a devotee or an agnostic, an accomplished seeker or a simpleton, this is truly a book for all those who shall die! 'A literary heavyweight'—Indian Express In these bold, wry and ebullient stories, Meera's astonishing range of narrative techniques is on full display as she expertly lays bare the faultlines behind the façade of everyday life, sometimes with dark humour and sometimes with astoundingly bitter sadness. One fateful day, Deepti vanishes mysteriously. Baffled by her disappearance and consumed with grief, Prakash, her husband, loses his eyesight. For Prakash, the inexplicable loss of his wife is doubly painful because she was pregnant with their child. And no amount of consolation can bring him solace in the years that ensue. Into this void steps Rajani, a woman with a tormented past. Despite her initial disdain of Prakash, she steadily finds herself drawn to him. And although an intense desire brings them together, Prakash is unable to give Rajani the love she craves just as he is powerless to dispel the luminous memory of Deepti. But where will this grave obsession lead? The Unseeing Idol of Light is a haunting tale that explores love and loss, blindness and sight, obsession and suffering—and the poignant interconnections between them. A tale of Europe in the days just before the war. It tells of a small group of Jewish holiday makers in the resort of Badenheim in the Spring of 1939. Hitler's war looms, but Badenheim and its summer residents go about life as normal." Novel based on social themes. Light from the fire burning afar mingled with the moonlight in Kurukshetra to create a terrible twilight. Scattered corpses ... broken chariots ... sporadic death cries ... prowling scavengers ... the battlefield stretched endlessly. The victorious Pāndava camps burst into deafening cheers amidst burning funeral pyres. The Great War was finally over. But soon enough, when everyone learns the truth about the hated enemy, Karna, that towering figure with the golden glow, another battle starts. Everyone stands stunned, forgetting to even cry. Torn by the guilt of fratricide, Yudhishtira becomes a recluse. Draupadi becomes restless: her tryst with reality begins. What seemed a justifiable end to an ignominious character completely overturns. Her pride for her husbands' valour erodes. Life as she had understood slowly begins to lose meaning. This Malayalam classic centres on Karna, the most criticized yet admired character of the Mahabharata, treacherously killed by his half-brother Arjuna. His life story unfolds through the eyes of Draupadi, in flashbacks and tales she hears from those around her in the aftermath of the battle of Kurukshetra. There's more to Milind Soman than meets the eye (although, as his legions of female fans will agree, what meets the eye is pretty delish). Combining in himself the passion of an entrepreneur, the mind of a nerd, the discipline of an athlete, the curiosity of an explorer, the heart of

a patriot and the soul of a philosopher, Milind has made the stunning-and apparently seamless- transition from champion swimmer to supermodel to actor to extreme sportsperson to women's fitness activist, enabler and proselytiser, all in one lifetime. How does he do it? What makes him tick? On the twenty-fifth anniversary of 'Made in India', the breakout pop music video of the 1990s that captured the apna-time-aagaya zeitgeist of post-liberalization India and made him the nation's darling across genders and generations, Milind talks about his fascinating life-controversies, relationships, the breaking of vicious habits like smoking, alcohol, rage, and more-in a freewheeling, bare-all (easy, ladies-we're talking soul-wise!) memoir. Co-authored with bestselling author Roopa Pai, MADE IN INDIA is a rare glimpse into the mind and heart of a very unusual man that will leave you thoughtful, awed and inspired. "Sameera Parvin moves to an unnamed Middle Eastern city to live with her father and her relatives. She thrives in her job as a radio jockey and at home she is the darling of the family. As the people's agitation gathers strength, Sameera finds herself and her family embroiled in the politics of their adopted land. She is forced to choose between family and friends, loyalty and love, life and death. Jasmine days is the ... story of a young woman in a city where the promise of revolution turns into destruction and division."--Provided by publisher. Set in pre-Independence India, A Life Misspent is as much the account of an unlikely friendship as it is a coming-of-age story. A memoir on the making of one of the greatest poets of all time. Young and impressionable, Prema is deeply infatuated with Yudas, the enigmatic man who dredges corpses from the bottom of the nearby lake. A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur. Why do certain foods harm some people and help others? How come the results of a weight loss programme varies from individual to individual? And why do some people fall sick more often than others? The science of Ayurveda holds answers to these questions and many more. Its scriptures took a holistic approach to health by combining our lifestyle with our natural tendencies (which vary from one person to another). This groundbreaking new work from Om Swami combines the yogic view of food as sattvic, rajasic and tamasic with Ayurvedic perspective, and further relates it to the modern view of foods as acidic and alkaline. This is also the first time that Ayurvedic prakriti (vata, pitta and kapha) has been discussed in the context of yogic prakriti (sattvic, rajasic and tamasic) in a truly cohesive fashion. The Wellness Sense extracts the essence of Ayurveda, yoga and tantra to combine it with modern medicine in this simple, step-by-step handbook on how to take better care of yourself. Accessibly written, deeply researched and distilled from Om Swami's own lived experience, The Wellness Sense puts your health and happiness in your hands. PENGUIN RANDOM HOUSE IS PROUD TO PUBLISH ANTI-CLOCK, WINNER OF THE O.V. VIJAYAN PRIZE Hendri, the coffin maker, has one goal in life: to see the dead body of his nemesis Satan Loppo being lowered into the coffin he has painstakingly carved. The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's Agnisakshi is a telling account of a woman's life glowing as though purified in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out their unforgettable roles: Tethi, the dazzling but disappointed bride who renounces worldly life; Unni Namboodiri, whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodiri's daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence. Stephen Hawking is widely believed to be one of the world's greatest minds: a brilliant theoretical physicist whose work helped to reconfigure models of the universe and to redefine what's in it. Imagine sitting in a room listening to Hawking discuss these achievements and place them in historical context. It would be like hearing Christopher Columbus on the New World. Hawking presents a series of seven lectures—covering everything from big bang to black holes to string theory—that capture not only the brilliance of Hawking's mind but his characteristic wit as well. Of his research on black holes, which absorbed him for more than a decade, he says, "It might seem a bit like looking for a black cat in a coal cellar." Hawking begins with a history of ideas about the universe, from Aristotle's determination that the Earth is round to Hubble's discovery, over 2000 years later, that the universe is expanding. Using that as a launching pad, he explores the reaches of modern physics, including theories on the origin of the universe (e.g., the big bang), the nature of black holes, and space-time. The decade from the 2008 global financial crisis to the 2020 coronavirus pandemic has seen a real transformation of the world order. The very nature of international relations and its rules are changing before our eyes. For India, this means optimal relationships with all the major powers to best advance its goals. It also requires a bolder and non-reciprocal approach to its

neighbourhood. A global footprint is now in the making that leverages India's greater capability and relevance, as well as its unique diaspora. This era of global upheaval entails greater expectations from India, putting it on the path to becoming a leading power. In *The India Way*, S. Jaishankar, India's Minister of External Affairs, analyses these challenges and spells out possible policy responses. He places this thinking in the context of history and tradition, appropriate for a civilizational power that seeks to reclaim its place on the world stage.

The inspiring metaphors and wisdom will win your heart and linger long after you finish *90 Days to Life*. Perhaps the only novel to have been reprinted nearly every year for over a hundred years, *Indulekha* (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, *Indulekha* is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.

Emotion "One can make any emotion into a creative force in one's life." – Sadhguru It's not just poetic license that allows us to refer to emotions as "juicy". In a literal sense also, emotions are a chemical cocktail that course through our bodies. But while we have no problems with pleasant emotions, unpleasant emotions are the source of much angst in our lives. In Emotion: The Juice of Life, Sadhguru looks at the gamut of human emotions and how to turn them into stepping stones rather than stumbling blocks.

Relationships “If you enhance yourself into a very beautiful state, everyone will want to hold a relationship with you.” – Sadhguru Human beings constantly make and break relationships. Unfortunately, relationships can make and break human beings too. Why are relationships such a circus for most of us? What is this primal urge within us that demands a bond – physical, mental, or emotional – with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that Relationships: Bond or Bondage looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with the very existence itself. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.
