[Commercial Engineering](#) Dec 31 2020 Excerpt from Commercial Engineering: Report of a Conference on Business Training for Engineers and Engineering Training for Students of Business, Held in Washington, D. C., June 23-24, 1919 It was further recommended that a general conference, national in scope, and fully representative of all interests in character, be held in the immediate future for the purpose of directing attention to the importance of this new type of training and to discuss one or more main topics essential to the preparation of commercial engineers. The committee to be appointed was further charged to consider the four following tentative curricula suggestions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

[Commercial Engineering](#) Oct 21 2022 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
