'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F\*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life. NOTE: This is the NEWER 3rd edition for the book formerly titled PM Interview Questions. -- 164 Actual PM Interview Questions From the creator of the CIRCLES Method(TM), The Product Manager Interview is a resource you don't want to miss. The

world's expert in product management interviews, Lewis C. Lin, gives readers 164 practice questions to gain product management (PM) proficiency and master the PM interview including: Google Facebook Amazon Uber Dropbox Microsoft Fully Solved Solutions The book contains fully solved solutions so readers can learn, improve and do their best at the PM interview. Here are questions and sample answers you'll find in the book: Product Design How would you design an ATM for elderly people? Should Google build a Comcast-like TV cable service? Instagram currently supports 3 to 15 second videos. We're considering supporting videos of unlimited length. How would you modify the UX to accommodate this? Pricing How would you go about pricing UberX or any other new Uber product? Let's say Google created a teleporting device: which market segments would you go after? How would you price it? Metrics Imagine you are the Amazon Web Services (AWS) PM in Sydney. What are the top three metrics you'd look at? Facebook users have declined 20 percent week over week. Diagnose the problem. How would you fix the issue? Ideal Complement to Decode and Conquer Many of you have read the PM interview frameworks revealed in Decode and Conquer, including the CIRCLES(TM), AARM(TM) and DIGS(TM) Methods. The Product Manager Interview is the perfect complement to Decode and Conquer. With over 160 practice questions, you'll see what the best PM interview responses look and feel like. Brand New Third Edition Many of the sample answers have been re-written from scratch. The sample answers are now stronger and easier to follow. In total, thousands of changes have made in this brand new third edition of the book. Preferred by the World's Top Universities Here's what students and staff have to say about the Lewis C. Lin: DUKE UNIVERSITY I was so touched by your presentation this morning. It was really helpful. UNIVERSITY OF MICHIGAN I can say your class is the best that I have ever attended. I will definitely use knowledge I learned today for future interviews. COLUMBIA UNIVERSITY I'd like to

let you know that your workshop today is super awesome! It's the best workshop I have been to since I came to Columbia Business School. Thank you very much for the tips, frameworks, and the very clear and well-structured instruction! UNIVERSITY OF TEXAS AT AUSTIN I wanted to reiterate how much I enjoyed your workshops today. Thank you so much for taking time out and teaching us about these much-needed principles and frameworks. I actually plan to print out a few slides and paste them on my walls! CARNEGIE MELLON UNIVERSITY I'm a very big admirer of your work. We, at Tepper, follow your books like the Bible. As a former associate product manager, I was able to connect your concepts back to my work experience back and Pragmatic Marketing training. I'm really looking forward to apply your teachings. Cracking the Project Manager Interview is designed to help you land your ideal project management job. The book's unique two-part organization helps you through the job application process, the interviewing process, job training, and everything in between! In Part I you will learn the ins and outs of the interviewing process: how to get your application noticed, how to prepare for the interview, how to uncover hints in an interviewer's questions, and more. Part II is an extensive review of what you need to know in order to ensure success in your interview. This section includes an overview of fundamental of project management and techniques, providing a quick review for those about to go into an interview, and for those considering project management as a profession, it is a great resource to know what you will need to learn. The book provides practice interview questions and solutions, so readers can go into their interviews confidently. In addition to interview tips and tricks, readers will learn how to sell their value and determine if they fit within a specific organization. Project managers will be given an overview of the hiring process, a detailed walk-through of the various project manager careers available to them, and all the information necessary to identify and pursue their ideal career.

Essential hiring and team-building lessons from the #1 Podcaster in the world The Effective Hiring Manager offers an essential guide for managers, team leaders, and HR professionals in organizations large or small. The author's step-by-step approach makes the strategies easy to implement and help to ensure ongoing success. Hiring effectively is the single greatest long-term contribution to your organization. The only thing worse than having an open position is filling it with the wrong person. The Effective Hiring Manager offers a proven process for solving these problems and helping teams and organizations thrive. The fundamental principles of hiring and interviewing

- How to create criteria to hire by
- How to create excellent interview questions
- How to review resumes
- How to conduct phone screens
- How to structure an interview day
- How to conduct each interview
- How to capture interview results
- How to make an offer
- How to decline a candidate
- How to onboard candidates

Written by Mark Horstman, co-founder of Manager Tools and an expert in training managers, The Effective Hiring Manager is an A to Z handbook to the successful hiring process. The book explores, in helpful detail, what it takes to hire the right person, for the right job, and the right team. 3 of the 2514 sweeping interview questions in this book, revealed:

- Business Acumen question: People react differently when Account Manager job demands are constantly changing. How do you react to this?
- Selecting and Developing People question: What have you done to make sure that your subordinates can be productive?
- Performance Management question: Give an Account Manager example of a time when you helped a staff member accept change and make the necessary adjustments to move forward. What were the change/transition skills that you used

Pick up this book today to rock the interview and get your dream Account Manager Job. The modern playbook to finding the perfect career path, landing the right job, and waking up excited for work every day, from founders of online network TheMuse.com. 'In today's digital age, finding job listings and endless data about those jobs is easy. What's difficult is making sense of it all. With The New Rules of Work, Muse founders Alexandra Cavoulacos and Kathryn Minshew give us the tools we need to navigate the modern job search and align our careers with our true values and passions.' Arianna Huffington, Founder and CEO Thrive Global, NYT Bestselling author In this definitive guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of popular career website TheMuse.com, show how to find your perfect career. Through quick exercises and structured tips, the authors guide you as you sort through your countless options; communicate who you are and why you are valuable; and stand out from the crowd. The New Rules of Work shows how to choose a perfect career path, land the best job, and wake up feeling excited to go to work every day-- whether you are starting out in your career, looking to move ahead, navigating a mid-career shift, or anywhere in between. "TELL ME ABOUT YOURSELF . . ." Decode the hidden meaning behind interview questions and prepare the perfect answer to land the job During a job interview, there are no right or wrong answers, just better and worse answers. When you rethink the process in those terms, you'll gain a huge advantage over the competition. What to Say in Every Job Interview shows you how to focus on the factors of the job, rather than answering questions "correctly." As a professional interviewer, Carole Martin has spent years on the

other side of the desk. She knows exactly what she's looking for in every job candidate and exactly how to find it. Now, she reveals all the secrets. Martin gives you a holistic plan for preparing yourself to best answer every interviewer's three primary concerns: Can you perform the job? Are you a good fit with the company culture? Can the company afford you? What to Say in Every Job Interview shows you where to find the critical factor interviewers seek with each question and how to present yourself in the best possible way on the spot and under pressure. 3 of the 2584 sweeping interview questions in this book, revealed: Selecting and Developing People question: What Leasing manager kind of mentoring and training style do you have? - Listening question: Can you make a simple Leasing manager story based on a picture? - Career Development question: Have you ever been on a Leasing manager team where someone was not pulling their own weight? Take a look at what actual readers are saying... "Insanely effective. Exposes the secret inner-workings of the hiring process." ~Vanessa D. "My life was exploding in slow motion with massive depression and anxiety before a friend handed me Hans's book...I couldn't put the book down until I was finished...it gets rid of the fear that's all being programmed into us." ~Jose Luis G. "Feels like I've been rescued!" ~Elizabeth M. "...as a felon, I was so afraid of rejection. I'm still in shock about the 2 job offers this week." ~Chris A. "If you can't find a job with this book, it's time to move to Europe..." ~Tyrell W. How many pizzas are delivered in Manhattan? How do you design an alarm clock for the

blind? What is your favorite piece of software and why? How would you launch a video rental service in India? This book will teach you how to answer these questions and more. Cracking the PM Interview is a comprehensive book about landing a product management role in a startup or bigger tech company. Learn how the ambiguously-named "PM" (product manager / program manager) role varies across companies, what experience you need, how to make your existing experience translate, what a great PM resume and cover letter look like, and finally, how to master the interview: estimation questions, behavioral questions, case questions, product questions, technical questions, and the super important "pitch." Interviewing can be challenging, time-consuming, stressful, frustrating, and full of disappointments. My goal is to help make things easier for you so you can get the engineering leadership job you want. The Software Engineering Manager Interview Guide is a comprehensive, no-nonsense book about landing an engineering leadership role at a top-tier tech company. You will learn how to master the different kinds of engineering management interview questions. If you only pick up one or two tips from this book, it could make the difference in getting the dream job you want. This guide contains a collection of 150+ real-life management and behavioral questions I was asked on phone screens and by panels during onsite interviews for engineering management positions at a variety of big-name and top-tier tech companies in the San Francisco Bay Area such as Google, Facebook, Amazon, Twitter, LinkedIn, Uber, Lyft, Airbnb, Pinterest, Salesforce, Intuit, Autodesk, et al. In this book, I discuss my experiences and reflections mainly from the candidate's perspective. Your experience will vary. The random variables include who will be on your panel, what exactly they will ask, the level of training and mood of the interviewers, their preferences, and biases. While you cannot control any of those variables, you can control how prepared you are, and hopefully, this book will help you in that process. I will share with

you everything I've learned while keeping this book short enough to read on a plane ride. I will share tips I picked up along the way. If you are interviewing this guide will serve you as a playbook to prepare, or if you are hiring give you ideas as to what you might ask an engineering management candidate yourself.

- Over 160 Real PM Interview Workbook from Top Tech Companies The world's expert in product management interviews, Lewis C. Lin, gives readers over 160 practice questions to gain product management (PM) proficiency and master the PM interview. The PM Interview Workbook is a resource you don't want to miss. It contains over 160 actual questions from top tech companies including: Google Facebook Amazon Uber Dropbox Microsoft Fully Solved Solutions The book contains fully solved solutions so readers can learn, improve and do their best at the PM interview. Here are some questions and sample answers you'll find in the book: Product Design How would you design an ATM for elderly people? Should Google build a Comcast-like TV cable service? Instagram currently supports 3 to 15 second videos. We're considering supporting videos of unlimited length. How would you modify the UX to accommodate this? Pricing How would you go about pricing UberX or any other new Uber product? Let's say Google created a teleporting device: which market segments would you go after? How would you price it? Metrics Imagine you are the Amazon Web Services (AWS) PM in Sydney. What are the top three metrics you'd look at? Facebook users have declined 20 percent week over week. Diagnose the problem. How would you fix the issue? The Perfect Complement to Cracking the PM Interview or Decode and Conquer Many of you enjoyed reading about the PM interview frameworks revealed in Cracking the PM Interview as well as Decode and Conquer, including the CIRCLES(tm), AARM(tm) and DIGS(tm) Methods. The PM

Interview Workbook is the perfect complement to both books. With over 160 practice questions, you'll see what the best PM interview responses look and feel like. The Manager's Book of Questions is the first of its kind tool for recruitment managers and executives a powerhouse of terrific interview questions for hiring top-notch talent for any job. Is the applicant a team player? How does the applicant handle stress? Can the applicant think on his or her feet? How do you determine aggressiveness in sales people or creativity in a product designer? You find hundreds of questions on these and many more topics to make your interviews more productive and give you the ammunition you need to make a smart decision. For anyone who does any hiring, regardless, of level, this is the "must-have" guide. Of all the obstacles and surprises managers know are heading their way each day, the one they least anticipate and prepare for is the resignation of a seemingly happy and extremely valued employee. It's the cement truck they never saw coming their way--but they could have. This invaluable resource introduces managers to a powerful new engagement and retention tool that they absolutely must begin utilizing ASAP: the stay interview. Smart companies and managers who have realized the importance of being proactive with their employees and not taking anything for granted have begun conducting these periodic reviews in order to discover why their important talent might leave and to solve any problems before they actually quit. Written by the retention expert who pioneered the process, The Stay Interview shows managers how to:

- Prepare for the stay interview
- Anticipate an employee's top issues
- Respond to difficult questions
- Listen effectively and dig deeper
- Craft a detailed and effective stay plan complete with timeline
- Assess each employee's level of engagement, predict potential exits, and communicate results to upper management

When you have the right people in place, you can't risk losing them. Complete with the five best questions to ask and sample scripts for different situations, The Stay Interview provides the

key to saving yourself unnecessary headaches and surprises. 3 of the 2537 sweeping interview questions in this book, revealed: Basic interview question: What were the responsibilities of your last position? - Getting Started question: What other Manager problem have you solved recently? - Building Relationships question: What are three or four Manager qualities you have that are going to help you be a great mentor? Land your next Manager role with ease and use the 2537 REAL Interview Questions in this time-tested book to demystify the entire job-search process. If you only want to use one long-trusted guidance, this is it. Assess and test yourself, then tackle and ace the interview and Manager role with 2537 REAL interview questions; covering 70 interview topics including Time Management Skills, Personal Effectiveness, Persuasion, Communication, Getting Started, Toughness, Innovation, Removing Obstacles, Caution, and Performance Management...PLUS 60 MORE TOPICS... Pick up this book today to rock the interview and get your dream Manager Job. In this instant New York Times Bestseller, Geoff Smart and Randy Street provide a simple, practical, and effective solution to what The Economist calls “the single biggest problem in business today”: unsuccessful hiring. The average hiring mistake costs a company \$1.5 million or more a year and countless wasted hours. This statistic becomes even more startling when you consider that the typical hiring success rate of managers is only 50 percent. The silver lining is that “who” problems are easily preventable. Based on more than 1,300 hours of interviews with more than 20 billionaires and 300 CEOs, Who presents Smart and Street’s A Method for Hiring. Refined through the largest research study of its kind ever undertaken, the A Method stresses fundamental elements that anyone can implement—and it has a 90 percent success rate. Whether you’re a member of a board of directors looking for a new CEO, the owner of a small business searching for the right people to make your company grow, or a parent in need of a new babysitter,

it's all about Who. Inside you'll learn how to • avoid common "voodoo hiring" methods • define the outcomes you seek • generate a flow of A Players to your team-by implementing the #1 tactic used by successful businesspeople • ask the right interview questions to dramatically improve your ability to quickly distinguish an A Player from a B or C candidate • attract the person you want to hire, by emphasizing the points the candidate cares about most In business, you are who you hire. In Who, Geoff Smart and Randy Street offer simple, easy-to-follow steps that will put the right people in place for optimal success. Originally published: Why you? London: Portfolio, an imprint of Penguin Random House UK, 2014. The intent of this book is to prepare someone for a successful interview and securing a project management job. Additionally, there is a section for aspiring PM's that want to build a career in the project management area. This is one ambiguous piece of this world and some light is thrown in this section for those questions. This book is not a comprehensive guide for either doing a PMP/CAPM or any such certification. What you need to know about the author. The author of the book is PMP and Scrum Certified Program Manager that has been in the IT field for about 17 years. She has driven several cross functional, large, complex projects to completion successfully. You can know more from her blog [www.careerbuggy.com](http://www.careerbuggy.com). What will this book do for you? This book is written with a pure and sole intention of helping the project managers crack the interview successfully. Being a PM is one thing and being successful in every interview is another. As any software professional, one can prove their skills only if they can get past the hump of an interview. This book is written for each and everyone that are looking for a strong knowledge base for a common, yet unique set of hard Project Manager interview questions. What differentiates this book from others in the same subject. This book is written as a guide and guidance to aspiring or experienced Project Managers and is a short, concise, straight forward practical advice with clear

examples for each question. With short and clear practical examples, this book is unique in the subject area. Now in the 5th edition, *Cracking the Coding Interview* gives you the interview preparation you need to get the top software developer jobs. This book provides:

- 150 Programming Interview Questions and Solutions: From binary trees to binary search, this list of 150 questions includes the most common and most useful questions in data structures, algorithms, and knowledge based questions.
- 5 Algorithm Approaches: Stop being blind-sided by tough algorithm questions, and learn these five approaches to tackle the trickiest problems.
- Behind the Scenes of the interview processes at Google, Amazon, Microsoft, Facebook, Yahoo, and Apple: Learn what really goes on during your interview day and how decisions get made.
- Ten Mistakes Candidates Make -- And How to Avoid Them: Don't lose your dream job by making these common mistakes. Learn what many candidates do wrong, and how to avoid these issues.
- Steps to Prepare for Behavioral and Technical Questions: Stop meandering through an endless set of questions, while missing some of the most important preparation techniques. Follow these steps to more thoroughly prepare in less time.

Product management is a big role, and this is a big book. This comprehensive guide teaches new PMs and experienced PMs the skills, frameworks, and practices to become great product managers.

- ?Product skills: Drive better product decisions by conducting user research, performing data analysis, prototyping, writing product docs, and understanding technology.
- ?Execution skills: Run your team well and deliver your projects quickly, smoothly, and effectively with project management, incremental development, launch processes, and good time management.
- ?Strategic skills: Set a better direction for your team and optimize for long-term impact with vision, strategy, roadmapping, and team goals. Learn what it means to be "more strategic".
- ?Leadership skills: Lead more effectively by developing your personal mindset, collaboration, communication, inspiration, and mentorship

skills.?People management: Learn leadership skills for managers, including coaching, recruiting, interviewing, and creating organizational structures.?Careers: Navigate your career by understanding the career ladder, setting goals, and translating your accomplishments into advancement. 3 of the 2544 sweeping interview questions in this book, revealed: Caution question: Tell us me about a Manager situation when it was important for you to pay attention to details. How did you handle it? - Business Acumen question: How have you approached solving a Manager problem that initially seemed insurmountable? - Self Assessment question: In what Manager ways are you trying to improve yourself? Land your next Manager role with ease and use the 2544 REAL Interview Questions in this time-tested book to demystify the entire job-search process.
